### **WAITLIST**

- Grand Teton Lodge Company (“GTLC”) will allocate vacant slip, buoy, and trailer spaces from waiting lists on a first- come, first-served basis. The concessioner will manage and maintain an accurate and current waiting list.
- An individual is eligible to hold only one slip or buoy space and one trailer parking space.
- The Marina wait list consists of five individual waitlists- buoy, 15ft slip, 20ft slip, 30ft slip, and trailer parking.
- The Marina wait list will be published for the following year on January 1st to the GTLC Marina website page.
- To be added to an open waitlist, individuals must make the request to the contact information provided on the GTLC Marina website (<https://www.gtlc.com/activities/marina-slip-and-buoy-rentals>) and ensure compliance with the waitlist rules.
- If your name is up on the wait list and you choose not to take advantage of the offer for a marina slip, buoy, or trailer space, your name will be removed from the wait list.
- Minors may be added to the waitlist. When a minor’s name comes up on the waitlist, he or she must be 18 years of age at that time to utilize the slip, buoy, or trailer space. If the individual is not 18 years of age at that time, he or she will be removed from the waitlist and forfeit his or her offer of a slip, buoy, or trailer space.
- Upon the individual’s name being called for a list, one e-mail will be sent and the individual will be personally called. If there is no response within seven days, the individual’s name will be removed from the list.
- It is the individual’s responsibility to make sure the e-mail, phone number, and address are current.
